

# Invitation to Sponsor and Opportunities for Artist Exhibition

## Payvand and IFWC 2017 Community and Cultural Outreach Events

February 6, 2017— Payvand and the Iranian Federated Women’s Club (IFWC) have just announced their lineup of cultural and community activities for spring 2017, and are seeking corporate sponsors and local artists interested in supporting our local communities by empowering women and increasing awareness of Persian culture and art through education, scholarships, and cultural experiences.

We are local 501C-3, non-profit, non-political and non-religious organizations dedicated to integrating and empowering the Iranian-American community by promoting arts and culture in the Bay Area by bringing educational services, scholarships and various cultural activities to the community.

However, we cannot do this alone. We need support from local businesses to continue with our commitment to support and bring increased cultural awareness to our local communities. **Your company’s support and attendance at our events is greatly needed.** Would you consider becoming a corporate sponsor to help us achieve our mission?

Corporate sponsorships for our community events are available for a donation of just \$100. For this small donation price, we will provide a display table at the event that allows you to showcase your business, and let the greater community know about your dedication to both women’s issues and diverse cultural awareness.

Artist booths are also available at these events for a donation of \$50. We welcome groups who offer local education and services, and vendors who sell items such as Persian jewelry, scarves, artwork and related items.

To contact the IFWC regarding corporate sponsorships or artist booths, please visit our website at <https://www.tikkl.com/payvand>, email us at [ifwc96@gmail.com](mailto:ifwc96@gmail.com) or [payvand95@gmail.com](mailto:payvand95@gmail.com), or call us at 408-906-9237.

*The IFWC is a non-political and non-religious group, and although we welcome everyone to attend our events, we cannot include political or religious groups as sponsors.*

**Thank you for your support!**
